Issues

1. Has the Designated Doctor (DD) examination been reimbursed appropriately per 28 Texas Administrative Code §134.204?
2. Is the requestor entitled to additional reimbursement for disputed services under 28 Texas Administrative Code §134.204?

Findings

1. The provider billed the amount of $650.00 for CPT code 99456-W5-WP for a DD examination for Maximum Medical Improvement/Impairment Rating (MMI/IR). Review of the documentation supports that MMI was assigned. Per 28 Texas Administrative Code §134.204(j)(3)(C), the Maximum Allowable Reimbursement (MAR) for MMI is $350.00. Per 28 Texas Administrative Code §134.204(j)(4)(C)(ii)(I), the MAR for an IR using Diagnosis Related Estimates (DRE) Category I method on the lumbar (spinal region) is $150.00. The combined MAR for the MMI/IR services rendered is $500.00. The provider also billed for CPT code 99080-W5 for $15.00 which is not a recognized combination per 28 Texas Administrative Code §134.204. It is not clear what is being billed with this improper modifier; therefore the 99080-W5 is not reimbursable.
2. The respondent has already reimbursed the amount of $500.00 for the disputed CPT code 99456-W5-WP and no more is due on CPT code 99080-W5 for improper modifier usage. Therefore, the requestor is not entitled to additional reimbursement.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is $0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to $0.00 reimbursement for the disputed services.
